SNAPDRAGONS JOKE

Jack's grandfather left him ten million dollars,
and the next week Diane agreed to marry him.

After three months of married life,

Jack noticed that his beautiful new wife was
ignoring him more and more.

On the rare occasion that she would go to bed
with him she would be indifferent, or even
worse, called out other men's names!

Whenever they went out in public, she ignored
him and flirted with other men.

Finally, he decided to confront her.

Diane," he said,

"the only reason you married me was because
my grandfather left me ten million dollars when
he died." Don't be ridiculous," she replied, "I
don't care who gave you the money!"

Swifts Creek Hall Committee

On the 23/3/1938 a public meeting was held to discuss the means of erecting a new Mechanics' Hall. From the meeting a building committee was formed from members of the Hall Committee and representatives of the Cricket Club, Golf Club, Bible Club and Mothers' Club.

It is interesting to note at the time there was much opposition to the large size of the proposed building.

The Hall was finally built and opened with a ball on the 31st March 1939, admission being 10/6 double and 7/6 a single gent, and 4/- for a lady. Mr F. Sutton was M.C.

The builder was Mr. H.Mordant whose tender was £1,383-15-0.

The building was declared open by the Hon. Albert Lind, who was the Member for Gippsland. (PAGE 39)
