SNAPDRAGONS JOKE

A pirate walks into a bar, and noticing that the pirate looks
different than usual, the bartender asks him, "What's up?"

"Nothing much," says the pirate.

"But your leg! What happened to it?" asks the bartender.

"Ah, just a mishap while boarding a ship, when I slipped, and it
got eaten by a shark," explained the pirate.

"But your hand! You've got a hook, where did the hand go?"
persists the bartender. "I lost it in a heated swordfight", says
the pirate casually. "What about the eyepatch?" asks the

curious bartender. Chuckling, the pirate replies, "Believe it or
not, when I was cleaning the deck, a bird pooped right in my
eye." The bartender is puzzled. "How do you get an eyepatch
from a bird pooping in your eye?"

"Well," says the pirate, "It was my first day with the hook."

Benambra | 25 March | 10am - 1pm Memorial Recreation Reserve, 32 Tip Road

Structured business planning for Gippsland farmers navigating variable seasons and financial pressure

AGRICULTURE VICTORIA

Plan to Be Resilient is a practical, hands-on workshop designed for farmers and small agri-business operators who are often time poor but know that *taking time to plan is critical*.

Resilient farm businesses do not eliminate risk – they prepare for it with clarity and intent.

Over three focused hours, participants will work through:

- ✓ Where seasonal variability, market volatility and cost pressures create vulnerability
- ✓ Key financial and operational drivers that most influence profitability and long-term viability
- ✓ Structural pressure points within your current business model that may limit your flexibility in challenging seasons
- ✓ Practical decision-making tools to strengthen preparedness, improve financial confidence and support operational planning and implementation
- ✓ Clear strategic priorities to guide investment, risk management and growth decisions over the next 12–24 months

This event is being delivered by NEX Business Farming Wellness on behalf of Agriculture Victoria as part of the Victorian Government's statewide Drought Support Package.
