Omeo District Health Board Chair, Simon Lawlor would like to inform the community of an important change in leadership at ODH.

After much consideration, Mary Manescu has decided to resign from her position as CEO, effective 10 November 2024.

During her tenure, Mary has made a significant contribution to our organisation, from re-establishing our core systems and processes disrupted by the pandemic and other local events, to rebuilding our workforce capacity and capability, creating a clearer and accountable organisational structure supported by an inclusive and respectful team culture, fostered our digital and other innovations, optimised the use of our facilities and strengthened our service models, all whilst navigating many other risks and challenges.

We are grateful for her dedication, vision and leadership during a pivotal time for Omeo District Health. As an organisation we are stronger and better able to embrace many future opportunities that lie ahead.

Please be assured that the Board is committed to ensuring a smooth process in to our new leadership. We will begin the search for a new CEO immediately, and we aim to find a leader who will continue to build on the strong foundation we have established.

Simon Lawlor – Chair, Board of Directors

Come and join Rev Marian Bisset at the final service before Marian and Pru conclude in the High Country.

Sunday 3rd November, 10am at the Swifts Creek Uniting Church.

The service will include Communion and a short "Release of Ties" liturgy as part of the conclusion.

There will be morning tea afterwards and all are welcome to come along.

Marian has been the Frontier Services Bush Chaplain through the High Country, including Benambra to Omeo, Swifts Creek to Tambo Crossing, Buchan to Suggan Buggan.

Monday 11TH November

5.00-6.00pm @ EBNC

We welcome nominations for two Committee member vacancies.
Enquiries and RSVPs at welcome at the Centre ph: 5150 2416

NOTICE OF SPECIAL RESOLUTION

The EBNC is hoping to become a Deductible Gift Recipient which allows us to accept tax-deductible donations.

For this we need to alter to our Constitution to include a "revocation clause". This ensures that, if the Centre is ever wound up, any unspent gifts or donations will be transferred to another similar charitable organisation.

This alteration (below) will be proposed as a Special Resolution at our November AGM.

Proposed clause be added to Section 76 - Winding up and cancellation

(5) If the organisation is wound up or its endorsement as a deductible gift recipient is revoked (whichever occurs first), any surplus of the following assets shall be transferred to another organisation with similar objects, which is charitable at law, to which income tax deductible gifts can be made:

- a) gifts of money or property for the principal purpose of the organisation
- b) contributions made in relation to an eligible fundraising event held for the principal
- c) purpose of the organisation
- d) money received by the organisation because of such gifts and contributions.
